

KNIGHTS OF COLUMBUS MONTHLY NEWSLETTER

June 2016

A Publication of the California Annunciation Knights of Columbus, Council 9271

Greetings to all Fellow Knights and Parishioners,

The next meeting of Council 9271 is on Tuesday, **June 21, 2016**, in the church basement.

We will celebrate fellowship with a meal and refreshments, provided by the Council, at 6 PM. The business meeting follows from 7 to about 8.

Notes from the last meeting:

15 members attended this month's meeting. We were treated to grilled ground pork "burgers" and all the summertime trimmings, wonderfully prepared, as usual, by David Bax. We may need to create a new officer position called "Grand Cook" and permanently elect David to it. Do I hear a motion?

We voted to send a check to the Nuns at St. Francis Holy Eucharist to help with elevator repairs.

Jerry Hoback asked the council to consider cooking at his daughter's wedding in November. More info to follow.

Last reminder - The Knights will be serving breakfast at Christ Power, Friday, July 15 again this year. Please contact Charlie Roll if you can help. J, we leave the church parking lot at 6 AM.

Special prayers went out to all the folks on the prayer list.

Items of Interest

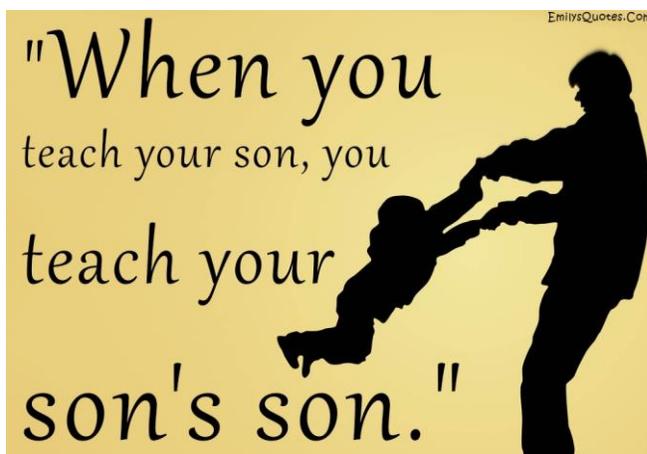

The Knights of Columbus set a new all-time record last year for charitable donations and service hours with \$175,079,192 in donations and more than 73.5 million hours of service. The numbers were announced at the closing session of the annual Organizational Meeting of State Deputies in New Haven.

"We are very proud of these Fraternal Survey numbers," Supreme Knight Anderson said.

"These are a clear indication that we are keeping faith with Father McGivney's principle of charity and also of unity, not only among ourselves, but with those in need.

This is what we call a charity that evangelizes.

This is what makes Knights of Columbus different."

Picnic Report

I think we can all agree that the weather was probably the best we have ever had on picnic day!

By the time I arrived on Saturday morning the game booths and that huge tarp were up! I love early risers. Great job guys.

We made good use of the new concrete "patio" for well attended games of Bingo.

We could have used a little more help in the kitchen/dining room during the rush times, but I think things went very well overall.

Take down went very smoothly, but Wes and I would have welcomed two more "bingo table lifters."

And, David G. needs a bigger cooler.

Funny Stuff

I saw a wino eating grapes.

I told him, you gotta wait. (Mitch Hedberg)

The quote of the month is from Cartoonist Kin Hubbard:

"It will be interesting to see how long the meek can keep the earth after they inherit it."
