PASTOR'S NOTES . . .

CHRIST THE KING

It is fitting that the end of the church year declares Jesus to be the King of Heaven and of Earth. The Lord Jesus is King of the universe. We long and we pray for the day when it will be fully revealed that Jesus is the King of our world, our lives, our priorities, our plans, our hopes and dreams. We anxiously desire that the Lord Jesus will firmly establish his Kingdom values fully into our hearts and lives. We long to be transformed by the peace, justice, love, and forgiveness that marks Christ's gospel.

However, we humans are a proud people. We believe we are strong and self-sufficient. Many of us are tempted to proclaim: "we bow to no one, we kneel to nobody." Yet, as Christians we happily (and rightly) bow to Jesus and we kneel to Our Lord, for he alone is deserving of all our worship, all our obedience, and all our energy.

This is a celebration which looks forward to the fact that ultimately, at the end of time, Our Lord Jesus will take his place as the Ruler of all Creation. All things will be placed under his authority and power forever.

In one sense this has already begun. The Reign of God is already here. God's Kingdom is already among us. The Kingdom is already at work in us. However, at the end of time, the Reign of God will be established in all its fullness, with the powers of this world completely defeated and vanquished.

We live in unsettled times, and there are still values which oppose Christ's Gospel. But it is reassuring to have this message that the forces of violence, hatred, deception, and injustice will ultimately be defeated.

In order to be transformed into the people Christ wants us to be, we must accept the Kingship of Jesus Christ and allow Him to transform us and challenge us. He not only frees us from our sins, but he transforms us into a holy people and changes us into a people who are happy to do God's will and rejoice in knowing and living the ways and values of the Lord.

Fr. Tony

DIOCESAN ACTIVITIES

Studies show that one in four females, and one in six males, will be a victim of sexual abuse by the time they reach the age of 18. You can help prevent this from

happening. **The Diocese of Jefferson City will hold a VIRTUS® Protecting God's Children class on Wednesday, November 29, 2018 at 6:00 pm at St. Martins Parish, St. Martins.** Participants are encouraged to register in advance at www.virtus.org. Please arrive early so that the class may begin on time. Classes will be held in the school. Due to the nature of the subject, children are discouraged from attending.

This program is one component of the overall effort to protect God's children and vulnerable adults. **All employees and volunteers with ongoing and unsupervised contact with children and youth are required to attend a Protecting God's Children session. All parents, grandparents and other adults in the parish community are encouraged to attend.** To view valuable resources regarding the protection of children and vulnerable adults, please go to www.virtus.org or the USCCB's website at <http://www.usccb.org/issues-and-action/child-and-youth-protection/index.cfm>

VOCATION VOICE

What is the reason you were born? What is the reason you came into the world? Are you called to testify to the truth by being a better servant of the Lord? Pray for those being called to priesthood or religious life and strong Catholic marriage. Pray for those who help you know the Lord.

As our youth are preparing for Confirmation which will be celebrated next fall, please keep them in your prayers.

As we celebrate this Advent season in preparation for the celebration of the New Life of Jesus in history and in our lives, please accept and read the book, "Rediscover Catholicism" as a renewal in your own spiritual life. This is a gift of a generous donor.

There are many website opportunities to help us grow in our Faith. Consider checking them out to see what works for you.
