**PASTOR'S NOTES . . .**

We have had quite an interesting weather pattern recently: snow, wind, cold, rain. The old line goes: Everybody complains about the weather, but nobody does anything about it."

True enough, but isn't life like that? We may not like the way that things are going, but complaining does not accomplish anything.

So, what do we do? First, let's begin with gratitude for all of the good things God has given us.

Second, let's remember the simple wisdom of the so-called Serenity Prayer:

*God, give me grace to accept with serenity  
the things that cannot be changed,  
Courage to change the things  
which should be changed,  
and the Wisdom to distinguish  
the one from the other.*

*Living one day at a time,  
Enjoying one moment at a time,  
Accepting hardship as a pathway to peace,  
Taking, as Jesus did,  
This sinful world as it is,  
Not as I would have it,  
Trusting that You will make all things right,  
If I surrender to Your will,  
So that I may be reasonably happy in this life,  
And supremely happy with You forever in the next.*

Amen.
